以学生为本　丰富语言环境

A student-centred approach to a rich language environment

伯中积极推动课程发展，中、英文科的课程设计均以学生为中心，在本地生及非华语生共同学习的优势下积极营造双语环境，鼓励学生以中、英语表达及交流。

中文科除了设有本地常规课程外，亦特别为非华语学生提供不同的中文课程。英文科亦致力营造丰富的语言学习和应用环境，提供多元学习经历，增加运用英文的机会，进而激发学生的语言潜能。此外，为照顾不同学习需要，本校还提供了一系列新来港学生学习支援，旨在帮助学生了解香港文化、适应本港生活。

Bethel High School's curriculum is student-centered. It actively creates a bilingual environment with the advantages of local students and non-Chinese speaking students learning together and encourages students to express themselves and communicate in Chinese and English.

In addition to regular local courses, the Chinese Language Department also provides a variety of Chinese courses for non-Chinese speaking students. The English Department is also committed to creating a rich language learning and application environment, providing diverse learning experiences, increasing opportunities to use English, and thus stimulating students' language potential. In addition, in order to cater for different learning needs, our school also provides a series of learning supports for newly arrived students, aiming to help students understand Hong Kong culture and adapt to life in Hong Kong.
